43 CFR 3809.552(a)

Requirement to Concur With or to Revise Reclamation Cost Estimate

On October 3, 2002 we received your request to extend notices UTU-070615, UTU-070660, UTU-075877, UTU-075878 and UTU-078293. Your notice has been conditionally extended. In order to permanently extend the notice, §3809.333 requires that a financial guarantee be provided in an amount and in a form acceptable to the BLM. Based on the notice on file with us, we have calculated a total reclamation cost estimate of \$19,515 and are providing the estimation cost worksheets to you for your review and comment. If you agree with our calculation, please submit written concurrence to us within 30 days of receipt of this letter. We will then issue another decision requiring you to submit a financial guarantee in that amount within 60 days of receipt of that decision.

If you would like to discuss the option of filing a financial guarantee for parts of your operations (§3809.553) or, if you do not agree with our reclamation cost estimates, you can use the enclosed Reclamation Cost Estimation Summary Sheet to revise the amount. Please be sure to carefully document for which portion of your operation you are calculating the estimate, or how you believe we have erred in calculating the reclamation cost. If you need assistance, please contact this office.

DIV. OF OIL, GAS & MINING

If either the concurrence or a revised estimate is not submitted within 30 days of receipt of this decision, your Notice will expire, and we will issue an order that you immediately cease all activity except reclamation. Reclamation must begin within 30 days and end within 90 days of receipt of the order. You may submit a new Notice or Plan. However; since you extended your notice, you no longer have the option of deferring reclamation as allowed by § 3809.300(d) and, in accordance with § 3809.335, you must begin reclamation by the deadline to do so unless you can have acceptable financial guarantee in place by the deadline to end reclamation.
